

EZWall Portable Partitions

Clear Protective Screens for:

Restaurants ▪ Bars ▪ Gyms ▪ Salons ▪
Retail ▪ Office Spaces ▪ Work Stations

Overview

EZWall clear vinyl protective partitions offered by Mac Papers provide an attractive and cost-effective way for businesses to meet COVID-19 safety recommendations and reopen quickly and safely.

The easy-to-assemble sturdy panels can be used in a wide variety of establishments to provide a safe and reassuring environment for patrons and employees, while maximizing guest capacity. Use the panels to separate seating areas in restaurants and bars; in salons and barber shops to divide service stations; in gyms and health clubs to separate workout areas; and in retail spaces to cordon off checkout areas.

EZWall durable panels are also ideal for use in employee work areas, on the plant floor or in the office.

Features

- Ultra durable panels constructed of premium clear vinyl and sturdy aluminum tube frame
- Easy to assemble with lock washer/wing nut zinc plated steel connectors for max strength and durability
- Vinyl is scratch-resistant; flame-retardant; latex-and phthalate-free; approved for commercial use
- Easy to clean with disinfectants
- Interior applications: use with felt pads (supplied) or 360° swivel wheels (add-on)
- Exterior applications: pre-drilled holes in base feet for easy anchoring
- Packaged to ship via FedEx or UPS
- Produced in the USA

Facility ideas to power your business.

Keeping a clean, safe facility is not done with the simple sweep of a broom. Businesses need high-quality products delivered on time. From towel and tissue systems to can liners, hand soaps and cleaning chemicals, Mac Papers has the facility supplies you need from the premium brands you want.

We know even the smallest details can cost you. That's why whether it's finding a more cost-effective cleaning product or outfitting your restrooms with the latest equipment, we can help streamline your processes. Combine that with the strength of the Mac Papers supply chain and inventory of available products, and you can be confident we will find a solution that saves money and increases efficiency.
