## Facility ideas to power your business.

We know even the smallest details can cost you. That's why whether it's finding a more cost-effective cleaning product or outfitting your restrooms with the latest equipment, we can help streamline your processes. Combine that with the strength of the Mac Papers and Packaging supply chain and inventory of available products, and you can be confident we will find a solution that saves money and increases efficiency.

To view the extensive line of facility supplies available from Mac Papers and Packaging, please browse our product offering at [macpapers.com/catalog](https://macpapers.com/catalog). For more information, contact your local Mac Papers and Packaging account manager or email us at [facilitiesolutions@macpapers.com](mailto:facilitiesolutions@macpapers.com).

## The Mac Papers and Packaging Difference

Founded in 1965, Mac Papers and Packaging operates branch locations and retail stores throughout the Southeast. Mac Papers and Packaging is owned by Monomoy Capital Partners, a private equity firm with \$1.6 billion in committed capital that invests in middle-market businesses in the manufacturing, industrial, distribution and consumer products sectors.
