# Wide Format Ideas to Power Your Business

Whether you are a commercial printer, sign company or wholesale printer, you can count on Mac Papers for all of your wide format needs, from media and equipment to training and expert technical service.

## Digital Print Media

Mac Papers has an extensive offering of wide format print media including banners, mesh, adhesive vinyls, laminates, imaging papers and specialty substrates, all stocked locally at our locations throughout the Southeast.

## Rigid Substrates

Looking for a variety of rigid materials? Count on Mac Papers. We have an expansive line of PVC, corrugated plastic, styrene, aluminum composite material (ACM) and foam board.

## Wide Variety of Printer Inks

Mac Papers supplies a complete offering of inks specified for the extensive range of wide format printers we represent. With UV, eco-solvent, dye sublimation and aqueous inks readily in stock, Mac Papers helps ensure your supply of wide format inks never dries up.

## Dye Sublimation

Our wide format experts can help you select the right material for your dye sublimation needs. We offer a robust selection of dye sub inks, transfer paper, and a variety of fabrics.

## Extensive Equipment Offering

We represent the leading printing and finishing equipment providers in the industry including Roland, Mimaki and Epson. Our equipment offering includes eco-solvent, UV, aqueous and dye sublimation printers, plus cutters and routers. We support the equipment we offer with training and expert technical service.

## Demo Center + Events

Not sure what type of equipment best suits your needs? We provide customers with hands-on equipment and media experience at our wide format demo center in Orlando and through special events at our branch locations throughout the Southeast.

## Technical Support

Mac Papers has a team of local OEM trained and certified technicians on call to assist with servicing equipment and analyzing all stages of your workflow – from creation to printer. Our experts are adept at finding solutions to optimize your system.

## Extensive Footprint + Logistics

With an extensive network of company-owned warehouses, a private fleet of trucks and dedicated account managers throughout the Southeast, we have the inventory, logistics power and local resources to serve your needs quickly, effectively and efficiently.

## Order & Inventory Information 24/7
