

The Right Packaging Materials + Solutions

Mac Papers sources packaging materials from the top producers and offers customer-focused packaging solutions.

Whatever packaging materials you need, you can count on Mac Papers to stock an extensive selection at our facilities throughout the Southeast, many available for next-day delivery on our private fleet of trucks. We partner with packaging producers that are leaders in the industry in terms of quality and innovation. Our packaging specialists take a customer-focused approach in assessing needs and are experts at sourcing materials that meet specific packaging requirements, from added protection to materials reduction, sustainability and brand enhancement.

Primary packaging product lines include:

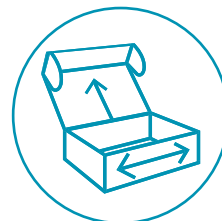

- Corrugated
- Tape and Adhesives
- Protective Packaging
- Flexible Packaging
- Mailers and Labels
- Blocking and Bracing
- Specialty Packaging

We partner with industry-leading packaging producers and brands, including:

We also offer our exclusive line of Castle® carton sealing tapes and stretch film.
