Facility ideas to power your business.

Keeping a clean, safe facility is not done with the simple sweep of a broom. Businesses need high-quality products delivered on time. In the new pandemic environment, an expanded lineup of protective solutions is also essential.

From personal protective equipment, hand sanitizers and disinfectants to towel and tissue systems, can liners, hand soaps and cleaning chemicals, Mac Papers and Packaging has the facility supplies you need from the premium brands you want.

We know even the smallest details can cost you. That's why whether it's finding a more cost-effective cleaning product or outfitting your restrooms with the latest equipment, we can help streamline your processes. Combine that with the strength of the Mac Papers and Packaging supply chain and inventory of available products, and you can be confident we will find a solution that saves money and increases efficiency.
