Wide Format Ideas to Power Your Business

Whether you are a commercial printer, sign company or end user, you can count on Mac Papers and Packaging for all your wide format needs, from media and equipment to training and expert technical service.

Media & Substrates

From digital print media and rigid substrates to dye sublimation materials, we stock an extensive offering. Our wide format team has the expertise to help you select the right materials for your applications and equipment. We also offer our exclusive Argent® line of wide format media.

Equipment

We represent the leading printing and finishing equipment providers in the industry, including Roland, Mimaki, Mutoh, Oki, AGFA and Fluid Color. Our equipment offering includes eco-solvent, UV, aqueous and dye sublimation printers, plus cutters, routers and laminators and a complete offering of inks. We support the equipment we offer with training and expert technical service.

Technical Service

Our wide format technicians have extensive experience and are OEM-trained and certified. You can rely on our experts to respond quickly with support and solutions that minimize your downtime and help keep production running smoothly and efficiently. We provide startup, warranty, non-warranty and training assistance.

Our Wide Format IDEA Center™ in Orlando, Florida, is a hub for Inspiration, Demonstrations, Education and Applications. Our wide format experts love spending time at the IDEA Center with current and prospective customers, collaborating on the many ways wide format can add value to a business and elevate a brand. Visitors will also get hands-on experience with wide format equipment, media, training and a wide range of applications.
